Welcome to METHUEN AUTO SCHOOL. The Driver's Education Package that you have selected consists of (30) thirty hours of classroom training, (12) twelve hours of behind-the-wheel training and (6) six hours of observation time. **The Driver Education program is mandatory for any Massachusetts resident who wishes to obtain a Driver's License under the age of 18.**

A **non-refundable** deposit of \$125 is due upon registering for the class.* It will be applied to the total cost of the course. No more payments are due until the first on-road. The balance (\$600) is paid over the course of the driving lessons (\$50 at each one-hour lesson). Please give the instructor cash or check, or prepay in the office. ** **TOTAL COST for the course is \$725.**

Evening classes run Monday through Thursday, from 6:00 pm to 9:00 pm, for two weeks and two days. During school vacations, we also hold accelerated courses, which run Monday through Friday, 9:00 am to 4:00 pm, for one week. The thirty-hour classroom instruction will educate and familiarize students with the Massachusetts driver's license privilege, Massachusetts motor vehicle law, vehicle ownership, rules of the road, and safe and proper operation of a motor vehicle, to include defensive driving and special situations.

All students must bring the following with them to each class: A pen or pencil, and a Driver's Manual, which can be purchased at the front desk of the Registry.

A student is not allowed to miss any classes unless it is an emergency. If a class is missed, that particular class must be made up during the next session. Any student who misses three (3) or more classes must repeat the entire course from the beginning. Any student who is habitually late will not be allowed to continue in the course, as it is disruptive to the other students. If you cannot make it to class on time, please sign up for a class that better fits your schedule. There is a **\$25 ADMINISTRATION FEE** for making up any class missed without 24-hour notice.

Parents must complete a (2) two hour classroom session, which will inform them of JOL restrictions and outline what is expected of their child in the driver education course (THIS IS A REGISTRY RULE). We hold a Parent Meeting session once per month. **As of 10/01/17, Methuen Auto School requires that the Parent Class be completed before on-road lessons will be scheduled.**

As required by law, students must also complete (40) forty hours of driving with a parent or other adult. **The student must hold a permit for a full (6) six months before he/she is eligible for a license.** We will try to spread the lessons out over the first (4) four months that they hold their permits, so their lessons are closer to their license appointment.

Out-of-area students must be brought to and picked up at METHUEN AUTO SCHOOL for their on-road lessons. This includes parts of Andover, Lawrence, Haverhill, Dracut and other surrounding communities further than 20 minutes from Methuen Auto School.

If a student is scheduled for a driving lesson, he or she must be prepared. The student must have a permit on-hand, and it must be in good shape (all pertinent information must be legible). A (24) twenty-four-hour notice is needed if a lesson is being canceled. If canceling outside our office hours, please call and leave a voicemail. **There is a (\$50.00) Fifty dollar fee PER LESSON if a student does not have the permit or has failed to give 24-hour notice.**

To qualify for the Driver Education Certificate, **THE STUDENT MUST COMPLETE THE ENTIRE COURSE WITHIN (2) TWO YEARS OF THE START DATE (NO EXCEPTIONS).** **This is a REGISTRY rule.** Classes not completed within two years must be repeated, and the student must pay again for the classroom portion of the course.

We will order the Driver Education Certificate after the **classroom and driving hours, and parent class if applicable, are completed.**

If you wish to have METHUEN AUTO SCHOOL sponsor you for your license appointment, there is an (\$90.00) ninety dollar fee. This covers us scheduling the test, use of our vehicle and a pre-test lesson with our instructor. **This is a separate fee from the Registry's fee for the actual license and test.** **METHUEN AUTO SCHOOL must book your license test if you are going with us.** After you have completed Driver Education, you must bring your completed license application into the office, along with your (\$90.00) ninety dollar fee, and we will book your appointment.

OUR OFFICE HOURS ARE AS FOLLOWS:

September – June:

Monday-Thursday 1-7pm

Friday 1-5pm

July & August:

Monday-Friday 10am-4pm

When you call during regular office hours and get our voicemail, we are either on the phone with the Registry booking license appointments, conducting business or on the phone with another student. **Please leave a message and we will call you back as soon as we can.**

The average length of time it takes to complete the course is six months. Please don't try and rush things. You will be driving for many years to come.

PARENTS: Remember that your children cannot drive with any friends under 18 in the vehicle for the first six (6) months that they are licensed, unless there is a licensed adult over the age of 21 in the passenger seat of the vehicle.

Thank you for choosing METHUEN AUTO SCHOOL!
